IMPORTANT NOTICE

This ballot guide contains all of the major political party candidates, all nonpartisan candidates and issues you are eligible to vote on. The nonpartisan candidates are those candidates not affiliated with a political party.

You have been given four ballots. (Democratic, Republican, Libertarian, Nonpartisan.)

You must **CHOOSE, VOTE** and **RETURN** only **ONE BALLOT**.

You are entitled to vote on all of the nonpartisan races and issues on this ballot guide, regardless of the party affiliation you may choose. Nonpartisan candidates/issues appear on all ballots

Only votes cast for candidates of the party whose ballot you chose and for nonpartisan races will be counted.

You may choose a political party ballot and vote for only that political party's candidates and the nonpartisan candidates; or, you may vote for the nonpartisan candidates only by choosing the nonpartisan ballot.

The color of the Political Party shown on your ballot card must match the color on the top of each page of the Political Party candidates in your guide. You may also vote for the nonpartisan candidates that are not color coded. If you vote for a candidate that is not affiliated with the party ballot or nonpartisan ballot you have chosen, that vote will not count. For example, if you vote for a candidate for governor on a nonpartisan ballot, that vote will not count. Any other valid votes, i.e. where party affiliation matches the ballot chosen, WILL count. One invalid vote does not invalidate the entire ballot.
